

# why Casey College of Beauty Therapy?

Students thrive studying with Casey College of Beauty Therapy. CCBT offers fun and interesting subjects that actually engage students while providing them with clear professional paths.

Each student at CCBT receives an amazing kit as part of their training, enabling them to proudly show off their professional results to friends and family. It's a win for everyone!

## Beauty Industry Growth:

In 2022 the beauty market in Australia generated a revenue of \$8.6 billion and is rapidly growing. Demand has never been higher for Beauty Therapists.

Beauticians are in high demand in Australia. Growth is happening across all occupations in the beauty & personal care sector, with the largest spike projected for beauty therapists – with a 20% rise in demand projected by 2024

Skincare is the dominant segment of the beauty industry with 42% of the market share (Statista) Skincare has more beauty industry market share than hair care (22%) and make-up (18%) combined.

CCBT students practice in a hands-on environment using state-of-the-art facilities, equipment and materials with trainers who are dedicated to providing them with skills for long term success.

# ccbt is future focused

## Studying Local and Casey College of Beauty Therapy Benefits:

Our beauty curriculum is future-focused, which makes our graduates some of the most employable.

Explore your passions while you're challenged, supported and inspired to provide not only the beauty services of today but tomorrow.

We're part of the fabric of the South East suburbs, giving you invaluable opportunities to engage with local organisations through partnerships with business and beauty network groups. Great Location in Berwick VIC - Close to Public Transport and M1 Freeway and Princes Highway

CCBT offers placement arrangements with Casey College Student Salon. This helps to ease the adjustment for our students entering new workplace environments and routines, within a familiar setting close to home, family and school.

Our academic staff are your lecturers, tutors and mentors and will guide you through your studies from Certificate III to Advanced Diplomas. We are here for not only your start in the Beauty industry but throughout your career path. Having been established for over 16 years, we are leaders in the beauty training, community, and industry.

Wherever you are and whatever your passion, with a CCBT qualification you can turn ambition into achievement.

**We are here not only for your start in the Beauty industry, but throughout your career path.**

## ccbt job network

### We reach out to all “Local” Beauty Networks &/or Job Opportunities

---

We have partnerships with many local and elite beauty salons/spas such as; Endota Spa's, Ella Bache, The Skin Bar, Australian Skin Clinics, Laser Clinics Australia, Peninsula Hot Springs, and Alba Thermal Springs.

We also have post graduate programs in place with Peninsula Hot Springs in Mornington and Alba Thermal Springs. We also have our own Pamper Party Factory and inhouse Student Beauty Salon where students are able to conduct treatments on the public under the guidance of a qualified trainer.

### Vocational Education & Training Delivered to Secondary Students (VDSS);

---

Vocational Education and Training Delivered to Secondary Students (VDSS) allows secondary students to gain practical skills in a specific industry while undertaking the Victorian Certificate of Education (VCE) including the Vocational Major (VCE VM).

**Our programs are taught by industry-experienced practitioners in the latest training facilities, and include specialised excursion and workplace-learning components.**

Programs are typically completed over two years and provide students with a qualification or partial completion of a nationally recognised certificate.

Casey College of Beauty Therapy has delivered accredited Beauty Therapy qualifications for more than 16 years in partnership with local salons for Melbourne's South East.

## the ccbt advantage

### What are the benefits?

VDSS programs contribute directly to the VCE/VCE VM and can contribute towards the ATAR score.

Other advantages for students who take part in our program include:

- gaining real industry experience and employability skills
- creating a pathway to further study (certificate through to advanced diploma qualifications)
- opportunities to develop effective relationships with employers
- assists transition from school to work environment;
- enhancing knowledge of employer and workplace expectations
- developing the capacity for teamwork and leadership.

### How to enrol:

To enrol into one of our VDSS programs you must be registered with a secondary school and enrolment into the program is negotiated through your school. If you are interested in enrolling into one of our VDSS programs please speak to your school. You can also call the college direct on 1300 711 072 (free call)

Program offered in 2024:

Start of Year and Mid-year Intakes:

- SHB30121 Certificate III in Beauty Services (PDF,162.43 KB)

**Our class sizes are small, so you can receive support from trainers, who work in industry, and get to know your classmates.**

**Our strong connections with industry, award-winning learning model, latest facilities and specialised course content mean you'll graduate with real-world experience.**

# ccbt qualifications and eligibility

## Program duration & outcomes:

---

VDSS programs are run over two years, part time, generally requiring a half to one day a week commitment over the two school years. To complete a qualification you need to successfully complete all units of competency in the two years. If you don't successfully complete all units of competency in the program you will still receive a Statement of Attainment (SOA) which will list the units you have achieved.

**Successfully completed units of competency can be used to apply for credit in future studies in the same area or simply add to your employability skills.**

## Eligibility:

---

Students can start in VDSS programs from Year 10 onwards. If you start a VDSS program in Year 10, it will be counted as one of your electives at school.

Most students undertake VDSS in their final two years of secondary studies. VDSS can be undertaken in both VCE and VCE VM streams. In VCE VM your study is broken into blocks. For every 90 hour block, you get one VCE VM unit credit.

## In VCE your VDSS program can contribute in two ways:

---

- In our VDSS program, your studies will contribute through block credit recognition. If you undertake a VDSS program as part of your VCE, the VDSS program will contribute directly to your ATAR.
- In our VDSS program, your 3 and 4 sequence will contribute directly to your ATAR as one of your top 4 subjects or as a 5th/6th.

If you need further guidance or information on how VDSS fits in with your study plans please talk to your school career counsellor, visit the VCAA website or contact us.

# ccbt nitty gritty

## Course requirements:

Each week of the program you will attend either half &/or day of work on campus. You will also have homework, some online studies, and revision to complete at home.

Being in an adult setting your trainers will expect you to demonstrate responsibility and a mature approach to your studies. You are required to meet a minimum of 90% attendance. As the programs are fast paced, missing classes will jeopardise your ability to enjoy the program and make progress as required.

Your program will consist of units of competency which means you will need to demonstrate that you have understood and mastered the skills expected. You will be assessed on your performance however it is not like an exam, instead it is an ongoing process.

Many of our programs are a great start to VET studies as the trainers you have in VDSS are the same trainers you will have if your continue to study with us after you leave school.

**Our VDSS programs run on campuses that are aligned with the disciplines of study you are undertaking in Beauty at our campuses at Berwick, Cranbourne**
